Thank you for your interest in the IMA Annual Meeting!

Dear Potential Exhibitor,

The 2019 Idaho Medical Association (IMA) Annual Meeting is a fun and interactive event for our physician members from around the state, along with their spouses, families and guests. **We invite you to join us in celebrating our 127th Annual Meeting in Coeur d'Alene, Idaho at the Coeur d'Alene Resort, July 19-21, 2019.**

This important meeting is a forum for IMA members to share their ideas and concerns on issues they face in medical practice every day as well as develop resolutions that direct the IMA lobby team's work during next year's legislative session. This process allows IMA to partner with Idaho physicians to improve their practice environment and to provide the very best care for their patients.

The IMA Annual Meeting is the single best event in Idaho for physicians to network with each other, but also with colleagues in related professions. You will have plenty of time to interact with physicians from around the state. This family-friendly and fun event features a themed exhibit hall with many events both inside and outside of the hall. Exhibitors are welcome and encouraged to participate as much as possible to take advantage of ample opportunities to spend time with Idaho physicians. In addition to our business meeting, we will have CME presentations, social gatherings, family activities and a ticketed dinner to thank our IMA President and other volunteer physician leaders. Exhibitors may attend many of these events with the purchase of a booth space.

We make it our goal to positively impact the lives of our physician members, the Idaho medical community, and Idaho patients through smart and necessary state legislation. The IMA has had a successful track record in its 127-year history of working to pass legislation such as tort reforms that make Idaho a very attractive place to practice medicine, protecting and maintaining the physician-patient relationship, keeping clinical decision making in the exam room, and policies for equitable reimbursement. These critical public policies and many more like them were derived from our physician members at this very event!

We would like to offer your organization the opportunity to participate in our Interactive Exhibit Hall. Please join us in making a difference by completing our Application for Sponsorship/Exhibit Space. Along with other healthcare organizations, pharmaceutical companies, insurance entities, government and business employers, and health promotion programs, exhibitors and sponsors will have an opportunity for one-on-one time and in-depth networking with physician attendees. We offer opportunities for booth displays, sponsorships and CME speaker underwriting during this three-day convention. We accept booths on a first-come, first-serve basis until full.

Reasons You Should Exhibit:

1. Meet face-to-face with physicians in our exhibit hall and at social events
2. Hands-on demonstration of your product(s) and services
3. Strengthen relationships with potential and existing customers
4. Free IMA Directory of Idaho Physicians
5. Prize for the best theme decorated booth
6. Build your brand recognition

Please contact me at sara@idmed.org or by calling 208-344-7888 with any questions you may have. Thank you for your support of the IMA, Idaho physicians and their patients!

Sincerely,

Sara Olson
