

Idaho Medical Association

Free MIPS (Merit-based Incentive Payment System) Assistance Program

Idaho Medical Association (IMA) and MIEC, the doctor-owned professional liability insurance carrier sponsored by IMA (www.miec.com), have teamed up with nationally recognized subject-matter experts to develop a **free** program to **help physicians maximize reimbursement under MACRA**.

- Online Tutorials and Webinars:** Topics covered will include:
- Reviewing QRUR reports
 - Choosing measures strategically
 - In-depth overviews of each MIPS component

- MIPS Navigator Online Measure Selection Tool:** Free license for online tool that helps you create a customized MIPS plan for your practice.

Enrollment Form – Provide info for each physician in practice.

Physician's Name: _____ NPI Number: _____

Physician's Name: _____ NPI Number: _____
